

**(2:00 Home: Anthony Ripo) BACKSTAGE: The Miz** (selling from his match earlier) is storming down the hallway when he arrives on a scene that makes his jaw drop... Pan to reveal **Damien Mizdow** (\*\*\*) flanked by **Two Female Models** on a *Commercial Set*. Mizdow stands behind a tall, round table in front of a green screen as a **Film Crew** and **Director** film him delivering his Go-Home line, "...And this little blue pill will set you straight!" The Miz shouts, "CUT!" and storms the set catching The Director off guard. Miz says, "You're doing it all wrong. You call that acting?! I haven't seen acting this terrible since...Michael Keaton in *Birdman*." Mizdow says, "But he was nominated for an Oscar." Miz shoves Mizdow out of the way and stands behind the table. Miz says, "Let me show you what you look like." The Miz puts on a goofy sad face and says, "I'm Damien Mizdow. I don't have my own identity, and I can't stand it! I would use my own brain, but it's too soft, too small, and completely, utterly useless. In fact, this little pill will set you straight! What's the matter with you? Do you have a stomach ache? Irritable bowel syndrome?" The Miz turns to the Director and says, "Look, why don't you ditch the zero and get with the hero? If you really want your product to sell, you have to use an A-Lister like me as your spokesman... and not a PERSONAL ASSISTANT." Mizdow reacts as The Director says, "We didn't know you would be interested. We'd love to have you in the commercial. Here's the script..." Miz cuts the director off, tears up the script pages and says, "The only script I need (*refers to The Moneymaker*) is right here!" The Director says, "But don't you want to know more about the product?" Miz cuts him off and says, "Places everybody!" The Director shrugs and says, "You heard the man, roll camera!" Miz shouts, "Make up!? I need make-up!" Out on Mizdow watching this all go down as Miz looks over at him and patronizes him with a smile.
